

What's Happening in our Field?

A New Drainage System

Remember last winter when it was so waterlogged we used the Downside End detour to get to school or Thornhill Park and Ride? Well the work taking place is to improve the drainage for the years ahead.

Phase 1 of the Land Drainage

- Preparing access to the ditch for large machines
 - Clearing and widening the ditch
 - Renewing a lower field cross-field drain

Alongside the playing field ditch there will be

- The removal of small trees
 - A large flailing machines clearing the ditch edges

And along the Thornhill Path there will be

- Volunteers clearing the ditch and the bank

If you have any questions and/or would like to volunteer please contact our Parish Clerk, Bev Field on 07717 134606
